NOTICES OF MOTION

NOTICE OF MOTION: SIGN LANGUAGE IN THE GOVERNANCE.

That, aware that Article 7 of the Constitution of Kenya states that the official languages of the Republic are Kiswahili and English;

Further aware that, Article 7(3)(b) states that the state shall promote the development and use of indigenous languages, Kenya Sign language, Braille and other communication formats and technologies accessible to persons with disabilities.

Acknowledging that, Article 10(2)(b) promote human dignity, equity, social justice, inclusiveness, equity, human rights, non-discrimination and protection of the marginalized.

Recognizing that, sign language is of a paramount means of communicating to differently disabled persons in our County and this will induce inclusivity in our County matters.

Concerned that, National and County Government meetings, gathering and public participation in governance, leave out the disabled persons.

Therefore, I urge this Assembly to Compel the County Executive Department of Information to cause the translation of our County gatherings, meeting and public participation in Sign language.
