NOTICES OF MOTION:(HON. BEATRICE WAMAITHA MUNGE)

1. SUBJECT: ESTABLISHMENT OF RELIABLE MARKETS FOR FARM AND AQUATIC PRODUCE IN LAMU COUNTY

Mr. Speaker, Sir, I beg to give the following Notice of Motion: -

THAT, aware that agriculture and aquaculture are key economic activities in Lamu County and a major source of livelihood for a significant portion of the population;

FURTHER AWARE THAT farmers and fisherfolk in the County often face challenges in accessing reliable and profitable markets for their produce, leading to exploitation by middlemen and low returns on their investments;

COGNIZANT THAT lack of organized markets and structured pricing mechanisms results in post-harvest losses, wastage of aquatic resources, and discouragement among producers;

RECOGNIZING THAT the identification and establishment of ready markets with fair and competitive prices would enhance income levels, promote sustainable production, and improve food security in the County;

FURTHER RECOGNIZING THAT strategic partnerships with local, regional, and international buyers can open up new opportunities for value chains in both agricultural and aquatic sectors;

THIS ASSEMBLY THEREFORE RESOLVES THAT:

1. The County Executive Committee Member in charge of Agriculture develops and implements a comprehensive strategy to identify and secure ready markets for farm and aquatic produce from Lamu County;
2. The Department of Agriculture establishes structured market linkages between farmers, fisherfolk, cooperatives, and buyers to ensure fair and stable prices;

3. The County Government formulates guidelines to protect producers from exploitation and ensure minimum guaranteed prices where applicable;
4. The Department facilitates capacity building for farmers and fisherfolk on quality standards, packaging, and value addition to meet market requirements;

COGNIZANT THAT the promotion of gender equity enhances social justice, strengthens governance, and ensures that diverse perspectives are incorporated in policy formulation and implementation;

NOTING THAT the absence of a comprehensive County-specific legal framework has hindered the effective realization of gender balance and inclusion in County institutions and programs;
