4. MOTION-TENDER AWARDING

I beg to move the following motion:-

Aware that, Article 55 states that, the state shall take measures including affirmative action programmes to ensure that youth have the opportunity to associate, be presented and participate in political, social, economic and other spheres of life.

Further Aware that, the County Government of Lamu has advertised and awarded different tenders to different bidders, in addition to that, the County Government of Lamu has awarded tenders for various projects to different companies.

Cognizant that, the Constitution of Kenya Article (2) states the purpose of recognizing and protecting human rights and fundamental freedoms is to preserve the dignity of individuals and communities and to promote social justice and realization of the potential of all human beings.

Concerned that, 30% of these tenders was to be given to youth, women and the persons with disability.

Noting that, Article 21(2) states that, the state shall take legislative, policy and other measures including the setting standards to achieve the progressive realization of the rights guaranteed under Article 43.

Further noting that, Article 27(3) states that, women and men have the right to equal treatment including the right to equal opportunities in political, economic, cultural and social spheres.

Therefore, I urge this Assembly to compel the procurement department within the County Government to adhere to the 30% rule whenever awarding tenders
